

## THE WORLD'S MOST POWERFUL SUPPLEMENT

*"When you ingest Seven+™, the digestion and the absorption happens almost immediately.*

*The unique delivery system makes your body work more effectively to heal and maintain itself with nutrient rich, highly bio-available superfoods. There is simply nothing else like it."*

Dr. Marcus Kuypers  
Author & Physician

*The Earth's greatest extracts in one fantastic "Multi-Botanical" Dietary Supplement.*

eXfuze Seven+™ is truly the world's first "Multi-Botanical" Dietary Supplement and a pure 100% superfood containing the world's most legendary nutrient-rich efficacious botanicals.

Also providing key Phytonutrient extracts, Seven+, is capable of providing many health enhancing benefits beyond basic nutrition.

Unlike juice concentrates eXfuze Seven+™ is loaded with anti-oxidants and formulated with pure extracts of super botanicals and fresh fruit from all corners of the world. Utilising our exclusive scientific patented technology, we individually extract each super botanical to produce the most bio-available formulation to optimise their maximum nutritional value and optimal purity standards.

## EXPERIENCE THE POWER OF PHYTONUTRIENTS IN YOU

Phytonutrients provide us powerful antioxidant defenses, strengthen our natural immunity and help eliminate viruses, toxins and harmful bacteria.

In addition, Phytonutrients help us to avoid sickness, prevent disease and even slow down the ageing process.

eXfuze is now firmly positioned as the predominant manufacturer and supplier of Phytonutrient Extracts that excel in quality, effectiveness and TASTE.

## THE SEVEN SUPERFOOD EXTRACTS

# WHY SEVEN+™?

In order to select the right nutritional supplement, you have to make a choice based upon these important criteria.

## The Best Available

We invite you to research and compare Seven+™. We are confident you'll come to the same conclusion: it's the best available.

# THE MOST POWERFUL ANTI-OXIDANT

## CAP-e VALUE

### BIO-AVAILABILITY OF ANTI-OXIDANTS

Seven+™ records the highest CAP-e Results to date.

#### (1) Liquids Vs. Pills

Referenced in many studies, the body absorbs nutrients in liquid form by up to 90% more.

#### (2) Multiple Superfoods

Provides for a wider variety of nutrients ensuring maximum nutrient saturation of the body.

#### (3) Extract VS. Juice Concentrates

eXfuze Extracts represent the purest, most potent, nutritious, absorbable and beneficial form of the botanical.

To put it simply, our extracts are more readily absorbed into the body.

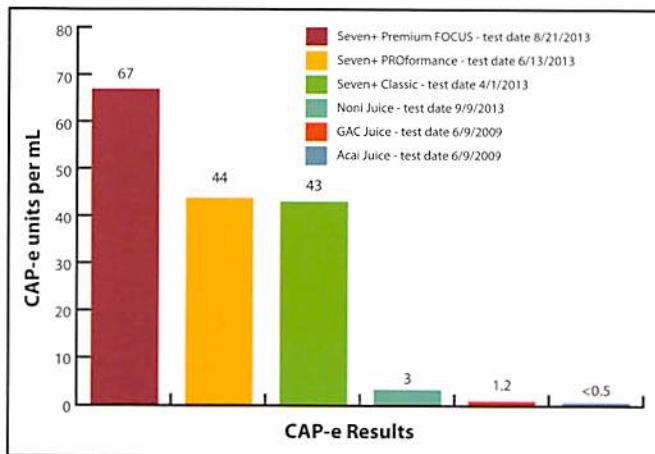

#### (4) No Added Sugars

#### (5) No Thickeners

#### (6) No Artificial Sweeteners

#### (7) No Harmful Preservatives

The CAP-e Assay is used to test whether products containing anti-oxidants are capable of entering into and protecting live cells from oxidative damage.

# THE GOOD NEWS

The human body has the power to heal itself through proper nutrition.

In fact experts now agree that proper diet and nutritional supplementation can prevent premature ageing and upwards of 90% of all diseases.

*"The doctor of the future will give no medicine, but will instruct his patient in the care of the human frame, in diet and in the cause and prevention of disease"*

Thomas Edison  
1847-1931

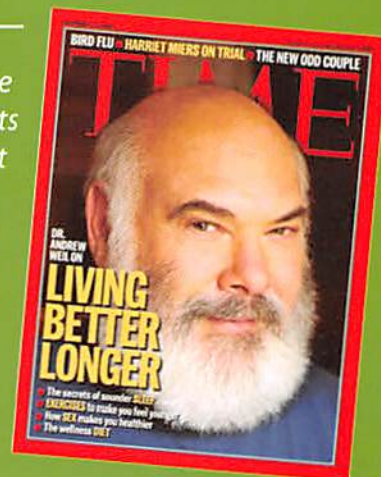

# THE ANSWER? NUTRITIONAL SUPPLEMENTATION

*"The more regularly we supply our bodies with antioxidants and phytonutrients, the better our health. Most of us simply can't do that with food, hence the need for supplements."*

*"The main reason I take nutritional supplements is for insurance against gaps in my diet. I take supplements faithfully and encourage my patients to do so as well."*

Andrew Weil, M.D.

## DON'T BECOME A STATISTIC!

In 2008, 36 million people died from non-communicable, diet-related diseases (including Cancers, Diabetes, Cardiovascular & Chronic Lung diseases). This is Projected to increase to 44 million deaths per year by 2020.

(Source: World Health Organisation)

In Malaysia...

**Cancer:** 1 in 4 estimated to develop cancer by age 75.

**Diabetes:** In 2013, 3.6 million estimated to be affected. Highest in ASEAN.

**Stroke:** Malaysia's number 3 killer. Every hour 6 Malaysians suffer a stroke.

## THE BURNING QUESTION?

In this age of medical advances and plentiful drugs, why do we still have these dreadful statistics & projections?

Why do an ever increasing number of people suffer from severe degenerative conditions?

*If medical advances and plentiful drugs are not reversing the trend, perhaps then, the answer lies instead with our fundamental nutrition.*

It is now important that **YOU** learn about the vital role nutrients play in keeping your mind and body young and healthy!
